Dogmatic Dazzler Headcollar & Reflective Collar

WHY: Because safety comes first! Dogmatic's new High Visibility range is embedded with yellow or pink reflective material to keep your dog visible now the nights have drawn in. The range includes the Dogmatic headcollar, buckle collars, and both trigger hook and training leads. The original Dogmatic headcollar has a huge following because it makes it easy and safe to walk any dog, but some owners like a bit more 'bling' - so bring on the sparkling Dazzler range! All the benefits of the Dogmatic headcollar, with added glitz!

PRICE: The Dazzler headcollar costs £28.50; the reflective collars from £9.99

THE PRIZE: One Dazzler headcollar and High Visibility collar to suit your dog

The Becobowl

WHY: The BecoBowl is the world's first eco-friendly pet bowl. Made from rice husks, a by-product of rice farming, the BecoBowl is highly sustainable to produce and fully biodegradable when eventually thrown away. Dishwasher-friendly, and with a life expectancy of five to 10 years, the BecoBowl is a great alternative to a normal bowl for your dog (or cat!). When it does eventually die, it can be composted or sent to landfill, where it will disintegrate in two or three years.

PRICE: £2.99 for the small BecoBowl and £4.99 for the large

THE PRIZE: Two BecoBowls - one for food and one for water - in your choice of size and colour

The Touch Of Durrell - A Passion For Animals

WHY: For more than 30 years, Jeremy Mallinson was Gerald Durrell's right-hand man at the Jersey Wildlife Protection Trust. He has devoted his life to the conservation of endangered species and this book by Jeremy brilliantly conveys his infectious enthusiasm for wildlife. It is packed full of gorgeous photos and is a real celebration of a lifetime's work in animal conservation.

PRICE: £17.99 (hardback)

THE PRIZE: A copy of *The Touch of Durrell*

CONTACT: Available from all good bookshops and online sellers

The Kritter Kondo

WHY: No matter where you are or what you're doing, let your dog or cat out for a run or some fresh air with the Kritter Kondo - a portable enclosure that easily folds away when not in use. This outdoor pet run comes with a storage bag that has a handle and a shoulder strap for easy portability. If the Kritter Kondo is accidentally left out in the rain, no problem - it is water-resistant. Although the Kritter Kondo was designed primarily with the cat owner in mind, it's perfect for a small dog as well. Many dog owners have already discovered it's ideal for visiting friends and family - perfect if their garden is not totally secure!

PRICE: \$139.99 plus tax and delivery

THE PRIZE: One Kritter Kondo

Perloquan

WHY: Containing green-lipped mussel, glucosamine and chondroitin in a tasty formula your dog will love, Perloquan is an easy-to-administer nutritional supplement to help maintain healthy joints and associated tissues. Also containing wild garlic, devil's claw and willow bark, as well as anti-oxidant vitamins C and E, Perloquan is suitable for young dogs' developing joints as well as for creaky oldies! It's palatable enough to be given as a treat, but can be added to food if you prefer.

PRICE: £50 for an 800gm pack with measuring spoon - 80 days' supply for a 20kg dog

THE PRIZE: One 800gm pack of Perloquan
